TO OUR MEMBERS

You, members, are our dearest friends;
You make it all worthwhile.
Our meeting nights are brightened by
The sunshine of your smile.

With compliments you're generous;
You calm us when we need it;
And you should know the credit goes
To you, when we've succeeded.

When asked for help, you never shirk;
You follow each direction;
You listen to our memory work -
And make the odd correction!

You peel the spuds, and bake the pies,
And work at each reception;
Your labors brought our Chapter far
Since date of our inception.

When duty calls, we know you're there;
Your word we can rely on.
As Adah kept her father's vow
And faced a sword to die on.

Like Ruth, you're willing, come what may,
To follow where we lead you.
Don't feel you have no part to play;
Remember this - we need you!

Like Esther, loyal to your friends,
We know you'll never falter
In keeping every vow you made
Before our sacred altar.

Your faith in us is always there -
Your trust, as Martha showed.
For you, we strive to do our best;
That much to you is owed.

You're our support in times of stress;
We know you are behind us.
Electa's strength you all possess;
Your love will ever guide us.

Please keep on coming out this year;
Your presence give us pleasure.
We'll make our Chapter's Star shine clear
And have good times together.

Note: I had the Star Point Officers read the
verses that applied to their stations.
